## A Magical Garden

Instructions: Read the passage below then answer the questions given.

In a little town, there was a magical garden filled with colorful flowers. Every day, the friendly butterflies would visit the garden, fluttering from flower to flower.

One sunny morning, Sarah, a kind kindergarten student, decided to explore the garden. She wore a big, floppy hat and carried a basket. As she walked through the garden, she saw a red rose, a yellow daffodil, a blue violet, and a pink tulip. Sarah smiled as she admired the beautiful colors around her.

## Butterfly Garden Magic

Instructions: Read the passage below then answer the questions given.

Olivia visited a magical butterfly garden filled with fluttering butterflies of every color. She sat on a blue wooden bench and watch as the beautiful butterflies flutter by. She marveled at the delicate wings of each butterfly.

Olivia also watched as caterpillars transformed into butterflies. She even held a butterfly on her finger and made a wish. Olivia was very happy when the garden guide explained the life cycle of butterflies. It was a day filled with enchanting moments for her!
